Our Blessings

Dear Friends of St. Patrick's,

I hope this letter finds you enjoying the approaching spring and Easter Season. At St. Patrick's, we feel gratitude each day for the extraordinary support we receive from our families, volunteers and the community. We are kicking off a St. Patrick's Gives Back program to help support the community that has blessed us for over 50 years. Please know that you are welcome to join us in any of our St. Patrick's Gives Back initiatives.

With spring, also comes construction season! We are excited to announce the commencement of our bath and shower room renovation. Phase I will include the West Unit showers and Phase II will complete the East side. We anticipate the bath and shower rooms on the West end of the building should be complete and ready for residents to enjoy the soothing comforts of their new surroundings by the end of summer.

Our Annual State of Illinois Department of Public Health Survey was conducted at St. Patrick's Residence February 7th-10th. I am proud to report we received excellent results. The Survey Team commented on our excellent staff, clinical strength, emphasis on patient safety and caring relationships with the residents.

A spring Family Meeting will be held for current resident families. Look for an invitation in the mail with additional information.

For St. Patrick's,

Marilyn Daley, Administrator

2016 VOLUNTEER IMPACT REPORT

The St. Patrick's Residence Volunteer Department is proud to present their first Volunteer Impact Report. According to the National Center for Charitable Statistics, there are over 3,500 public charity nonprofit organizations in DuPage County.

Since 1989, when St. Patrick's Residence opened their doors in Naperville every volunteer, board member, donor, staff member and Sister has played a vital role in helping us achieve our mission. This report highlights the 2016 statistics of our current volunteers.

Through the generous gift of our volunteers' time, talent, fundraising and personal interests, they supplement the work of staff members to make a difference in the lives of our residents. The impact of their work is immeasurable.

St. Patrick's Day Celebrations The Guild of St. Patrick's "Wearing of the Green"

“Mom’s House” was exciting this year with the Irish-themed entertainment enjoyed by the residents and their families. The kickoff was March 5th with a special Irish Mass celebrated by the Most Reverend Francis Kane in Our Lady of Mount Carmel Chapel. The parties continued all month long with Irish Dancers, leprechaun bingo and Those Funny Little People, who visited the residents on each unit.

A big thank you to The Guild of St. Patrick's who worked tirelessly to continue the tradition of hosting a St. Patrick's Celebration. This year's event raised over \$30,000 to benefit the residents of St. Patrick's. Thank you to everyone who supported the Sweepstakes mailing, raffle basket sales and Split the Pot. Tribute to Sister Rosemary

Our hearts are heavy with the passing of Sr. Rosemary Ann Rubocki this past November. She was a lady who loved people and provided humor. Her presence within the House was quiet and calming and she was always there to greet residents' families and staff.

Her journey with St. Patrick's stems back to 1964 when she was a Carmelite, a high school volunteer program, before entering the Carmelite Sisters for the Aged and Infirm in 1969. Her first mission as a Carmelite Sister was at St. Patrick's Residence in Joliet as the Admissions Director. She held that position for four years before continuing her mission in Pennsylvania, Connecticut, New York and returning to St. Patrick's Residence in 2013. During her second assignment at St. Patrick's, she carried the cross of illness, but extended her social work training by her listening ear to residents and families offering them her prayerful support.

Welcome Back.... Sister Lois Ann Wetzel

Many of you might remember Sister Lois from when she was our 3East Nurse Manager from 1998-2001. This past January, the House was delighted to welcome back Sister Lois. She currently serves at the Motherhouse in Germantown, New York where she is the Postulant Director. Her role as Postulant Director is to help young women, who are considering a religious life to learn more about the Carmelite Sisters and their mission to the elderly. While here at St. Patrick's, she is assisting us in implementing a Palliative Care program. The Carmelite facilities are committed to providing the best possible care in symptom and pain management for our residents.

Sister Lois was born and raised in Cincinnati, Ohio. In her free time she enjoys reading, bird watching, going on nature walks, art, museums and local history. She is happy to be back at St. Patrick's and comments, "There is an energy, a "buzz" you feel as you walk the halls, created by all the love shared with our residents by the phenomenal volunteers and wonderful staff. And not just to the residents; the love we share among all who enter these walls. It reminds me that here at St. Patrick's Residence, the difference is love."

Thank You for Your Love, Dedication and Friendship

At our Annual Benefactor Mass and Reception in December 2016, we presented the Croagh Patrick and Claddagh Awards. Joyce Malleck was the recipient of this year's Croagh Patrick award. This award is given to an individual for their extraordinary kindness and generosity to the Carmelite Sisters and residents of St. Patrick's. We were blessed in 2000, seventeen years ago, when her Aunt Stella became a resident of St. Patrick's. Joyce supports our fundraising initiatives and is a main donor to The Guild of St. Patrick's St. Patrick's Day Celebration and the Annual Golf Outing. Her generosity has allowed us to grow our fundraisers to the success they are today.

Pat and Polly Benton were this year's recipients of the Claddagh Award. This award acknowledges those who have reached out to St. Patrick's creating a bond of true friendship that has grown stronger through the years. Pat and Polly have remained true to their passion of volunteering and supporting their community. St. Patrick's Residence provided care for Polly's mother before she passed away in 2014.

Polly is an active member of The Guild of St. Patrick's and volunteers on a regular basis including running weekly bingo. She is a founding participant in both the Ministry of Comfort and Angel Ministries, visiting residents to ensure their comfort and offer support. Over the years, Pat and Polly have shown tremendous support to St. Patrick's through volunteering and participating in the annual golf outing and the Gold Key Gala.

Thank you to all of our Benefactors and supporters for the difference you make in the lives of our residents. St. Patrick's is blessed to have the love, dedication and friendship of so many kind and caring people.
